REVERSE FLOW OPPORTUNITIES

Welcome to the world of N2G.

A joint venture created by two insurance powerhouses: Nationwide Mutual Insurance Company (Nationwide®), one of the largest insurance and financial services companies in the U.S., and Generali Global Corporate & Commercial, a top global insurance company based in Italy.

We provide worldwide insurance protection, raised to the power of two. The power of an exceptionally broad portfolio of products. The power of strong partnerships with brokers and agents to identify, solve and prioritize global risks for their clients. The power of Nationwide's strong U.S.-based brand recognition and distribution, combined with Generali Global Corporate & Commercial's footprint as a global insurer across a large, 160-country network.

Meeting the needs of our international clients today, tomorrow. Together.

N2G'S UNIQUE BENEFITS:

REVERSE FLOW OPPORTUNITIES

We understand that Workers' Compensation and Commercial Auto coverage are essential for your clients' business. That's why we offer best-in-class policies with Nationwide for U.S. exposures.

We understand that employees are critically important - that's why employers trust N2G and Nationwide as their workers' comp partner. With our coverages, experience and exceptional claims services, you and your clients will feel confident that you're being well taken care of.

We also offer a range of ISO-based commercial automobile coverage, including Liability, Auto Physical Damage and Hired and Non-owned Auto for small- to medium-sized fleets for U.S. operations. Specialized coverages are also available.

As the 8th-largest Commercial Lines Insurer, Nationwide has the longevity, financial stability and expertise for your Workers' Comp and Commercial Auto needs.

WE CAN HELP MANAGE RISK WITH NATIONWIDE'S ROBUST SERVICES:

- A risk management services department that analyzes losses, makes implementation calls, develops plans to help reduce exposure, conducts surveys, and performs on-site visits—customized to the needs of each customer
- Assistance with return-to-work programs
- Access to subject matter experts
- Large library of materials and resources for self-service
- Support in development of safety and protection programs, and accident investigation programs
- Ideas to help you engage and motivate your workforce to take safety as seriously as you do
